## **You Can Help Prevent Forest Fires**

Twenty-five per cent of all forest fires in New Hampshire are caused from Carelessly burning debris—brush, paper, leaves, grass, etc. Most of them are started without the required permit from the local forest fire warden. The cost, annually, of extinguishing these fires runs into large sums of money.

According to law, responsible parties must pay the cost of putting them out. In addition, violators may be subject to court prosecution with fines running as high as (\$200) two hundred dollars.

In the interest of fire prevention why not eliminate burning at home? Use your town dump. It has been set up for your personal convenience. It provides a suitable place for the disposal of dangerous inflammable waste material and other useless items which accumulate around the home and local stores; brush, etc., cut on your property. Eliminate the hazard of burning, yourself. It will be easier for you, personally and financially.

If, however, you do burn on your premises:

1. Secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

**Save yourself much possible difficulty  
Use your town dump**

Mr. and Mrs. Reginald Earl, Mrs. Frank Woodward,  
Mrs. Harry Downing, Mr. Jesse Barney, Mrs. Hugh  
Switzer, Mrs. Alger, Mr. and Mrs. "Link" Pearson  
and the P.-T. A.

Beside the regular library work this year, we held a poetry contest for the 5th, 6th, 7th and 8th grades, a 4-H exhibit and a Neighborhood Library Meeting in the Spring. The visiting librarians were from Plymouth, Bridgewater, Center Harbor, Bristol and the State Library. We had a Reading Tree for our Summer Book Club for the children. This created interest both at home, and from librarians from other places. It was written up in the "North Country Magazine" for libraries. During National Book Week we had an exhibit of pictures from the Boston Museum of Fine Arts, with books on art loaned by the State Library.

While we have a better circulation than last year, we would like even more of the towns people to use the library. Please remember that we are here to serve you, and the library belongs to the whole town.

LOIS C. EVERTS,

Librarian

## REPORT OF PUBLIC HEALTH NURSE

---

The following is a report of the activities conducted by the N. H. Department of Health, Bureau Public Health Nursing, for the town of Rumney during 1958.

There were no clinics held in the town of Rumney in 1958, but parents were invited to bring their children to Plymouth and Warren clinics. Several children completed Salk Vaccine, Triple Toxoid Immunizations and received Smallpox Vaccinations at these clinics throughout the year. Several pre-school children from West Rumney received complete physical examinations by a doctor at the Warren clinics. Seven children from Rumney, between the ages of 3-6 years attended the Dental Program at Plymouth receiving dental cleaning, fluorine treatments and excellent dental instruction by a Dental Hygienist from the Bureau of Dental Health, N. H. Department of Health.

Home visits have also been made on infants and pre-school children and arrangements made for children to attend other diagnostic clinics as necessary with follow-up visits being made on these cases.

Arrangements have been made for eye care under the N. H. Sight Conservation Program and assistance given families through other state agencies.

Respectfully submitted,

(Mrs.) LOIS W. BARTON, R.N.,  
Public Health Nurse  
N. H. Department of Health

## SUPERINTENDENT'S ANNUAL REPORT

---

To the Rumney School Board.

Hereby submitted is my annual report as your Superintendent of schools:

Your Elementary School under the leadership of Miss Ashley, has been run efficiently and well since my last report. She is a conscientious and capable administrator and we are fortunate to have her in our employ. Two teaching vacancies were filled in the spring when Mrs. White and Mr. O'Shea resigned to take positions elsewhere. When this change occurred Mrs. Merrill was moved into the 7th grade room and two teachers were employed for the lower grades. Mrs. Myrtle Craig of Quincy who had been a successful teacher in Campton for some time, was obtained to teach grades 5 & 6 and Miss Gertrude Merrill (now Mrs. Greenwood) a 1958 Plymouth Teachers College graduate, was secured for grade 4. I am hopeful that when it becomes necessary to replace a teacher we may be able to secure a young man to help Miss Ashley and to take over some Physical Education which would include coaching our baseball and basketball teams.

Your school is now well supplied with sufficient and modern, up-to-date text books. The two minor areas where something needs to be done are spelling and more supplementary readers for the first three grades. I am confident that the money in the budget will take care of this situation.

I continue to hear excellent reports on your Hot Lunch Program. We are indeed fortunate that we were able to secure such a good lunch supervisor. The question will arise in your District Meeting concerning a paid helper in the program. I am hopeful you will see fit to favorably consider this request.

It will be of interest to all parents who are sending their children to Plymouth High School, to know that the new vocational building is under construction and will be occupied in September 1959. This building will house an entirely new Economics Department, new cafeteria for the Plymouth schools, two classrooms and two large shop areas. At this writing it is not definite exactly what additional courses will be offered but it is expected that courses for boys might include Auto Mechanics; courses in Electricity and Electronics; several courses of various proficiencies in Woodworking; a course in General Metals which would probably include Metal Lathe Work, Sheet Metal Work, Welding, etc., plus a course in elementary Mechanical Drawing and Blue Print Reading. It is difficult to ascertain exactly what can be offered until we locate the instructor we will employ for this position.

Please feel free to consult me if you would like more information concerning any of the above or any other matters pertaining to your educational needs and problems.

Respectfully submitted,

M. WAYNE BOWIE,  
Superintendent of Schools

## EXPLANATION OF SUPERINTENDENT'S SALARY

---

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire, requires that school district annual reports show the total amount paid to the superintendent of schools as per the following quotation: "REPORTS. Each superintendent of a supervisory union shall annually prepare a report showing the total salary paid to the superintendent, which report shall show in detail the amount derived from the per capita tax and the amount paid directly by each school district in the union."

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30th. The Superintendent of Supervisory Union No. 48 during 1957-58 received a salary of \$6,550 which was made up as follows: \$2,500 paid from the per capita tax and \$4,050 prorated among the several school districts. Allowance of \$900 for travel within the union was also prorated as stated above.

The table below shows the portion of salary and travel charged to each school district.

	Salary	Travel
Campton	\$ 751.27	\$ 166.95
Dorchester	28.76	6.39
Plymouth	1,462.05	324.90
<b>Rumney</b>	590.89	131.31
Thornton	348.30	77.40
Wentworth	197.24	43.83
Woodstock	671.49	149.22
	<hr/> \$ 4,050.00	<hr/> \$ 900.00

Superintendent's salary for 1957-1958 based on the above figure is reconciled as follows: \$4,050 paid by the various districts, plus \$2,500 from State per capita tax, equals \$6,550 superintendent's basic salary. This, plus \$900 travel allowance as indicated above totals \$7,450 — amount received from State Treasurer for salary and travel of the Superintendent of schools.

M. WAYNE BOWIE,  
Superintendent of Schools

## PRINCIPAL'S ANNUAL REPORT

---

Hereby submitted is my second annual report as your Principal:

The children of Rumney are happy in their school and take great interest in helping to keep the building in order.

Mrs. Myrtle Craig and Mrs. Gertrude Greenwood joined our staff in September, replacing Mrs. Dawn White and Mr. Seth O'Shea.

The music program under the direction of Mrs. Arlene Wilson has added greatly to the social and academic life of the school. The chorus made up of sixth, seventh and eighth grade students, assisted at the graduation and presented a fine program for the Union No. 48 Teachers Meeting in November.

The P.-T. A. continue to sponsor our Hot Lunch Program for the welfare of the children. We wish to acknowledge the help of parents and friends in assisting Mrs. Cross. The P.-T. A. also sponsored the school picnic in June, the putting up of playground equipment and during the winter months a basketball program for the boys.

Your Principal and teachers extend to you our best wishes for a good school year.

Respectfully submitted,

NELLIE M. ASHLEY,  
Principal

## THE MUSIC PROGRAM IN RUMNEY

---

Increased interest and ability in music have been evident at Russell School during the past year. Through the efforts of many of the classroom teachers, tone quality and pitch have improved the vocal work. Rhythmic response is good, but could be improved by more activity in this field. Listening experiences have been varied and in many cases have added to knowledge gained in the regular scholastic program.

The chorus, made up of selected voices from the sixth, seventh and eighth grades, has proven an excellent opportunity for children with greater ability to participate in an activity in which they develop a better quality of musicianship through a variety of music of greater difficulty. This group, as a whole or in part, has provided entertainment for both school and community programs.

ARLINE E. WILSON,

Music Supervisor
